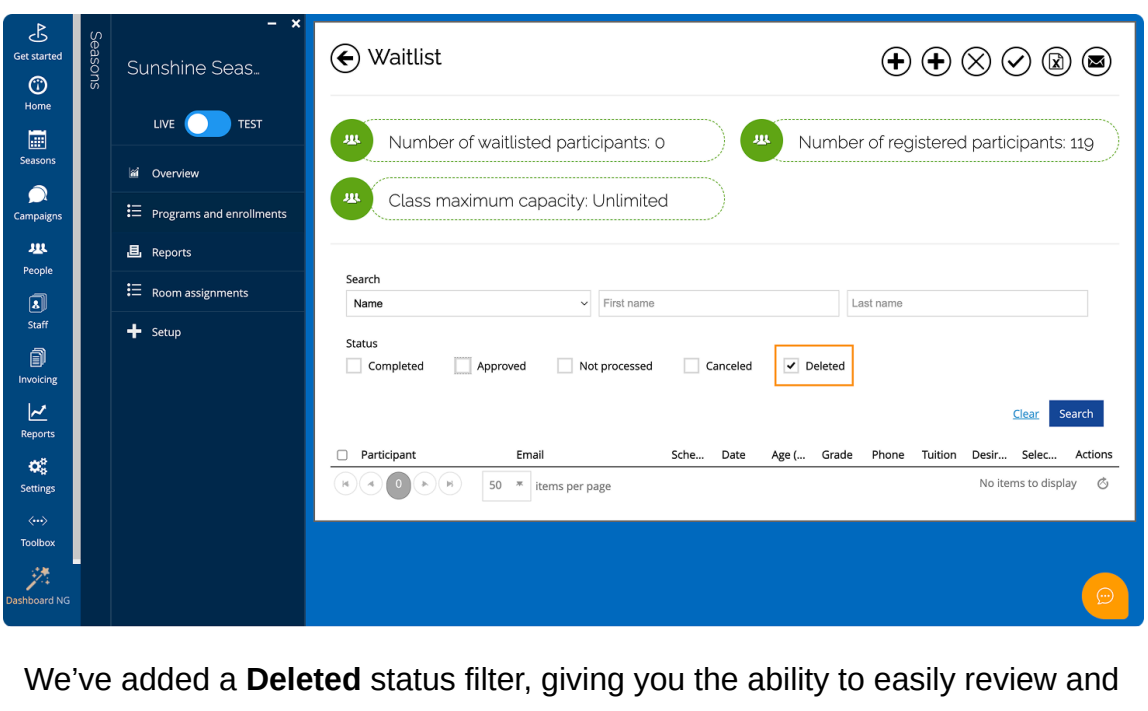
Recent Updates

⚙ New Filter Option in Waitlist Management



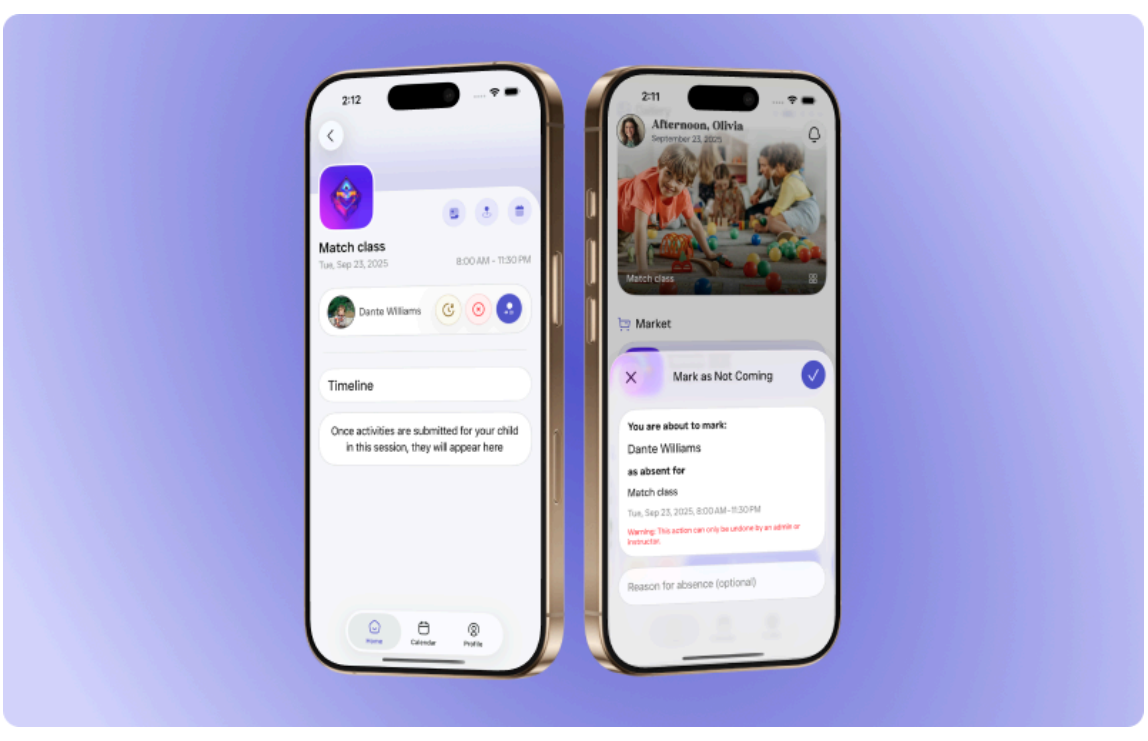
We've added a **Deleted** status filter, giving you the ability to easily review and manage participants who were previously removed from the waitlist.

My Jumbula iOS App Update – Version 2.0

Our biggest release yet is here! Version 2.0 introduces a refreshed *Liquid Glass* design and powerful new features for families and admins.

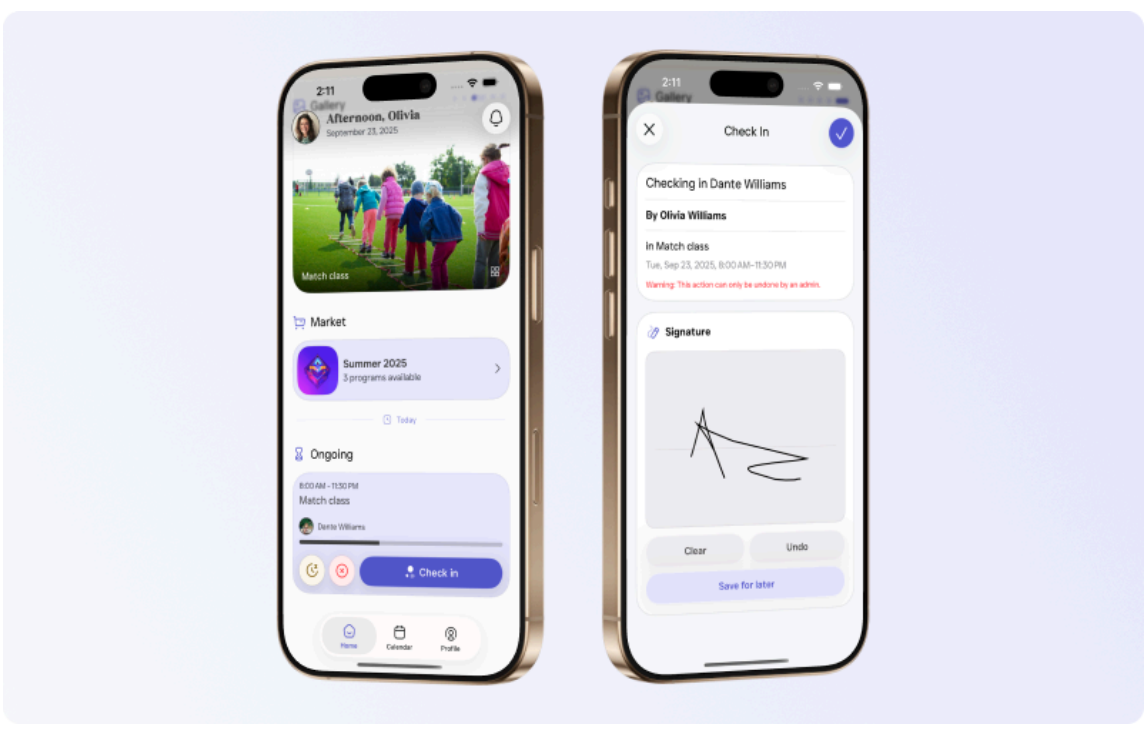
What's new:

Attendance Management



Families can notify instructors if a child will be late or absent, with an optional reason. This can be done from the **home screen**, where upcoming sessions are displayed, or from the **calendar** by selecting a program and adding an attendance update.

Check-In / Check-Out

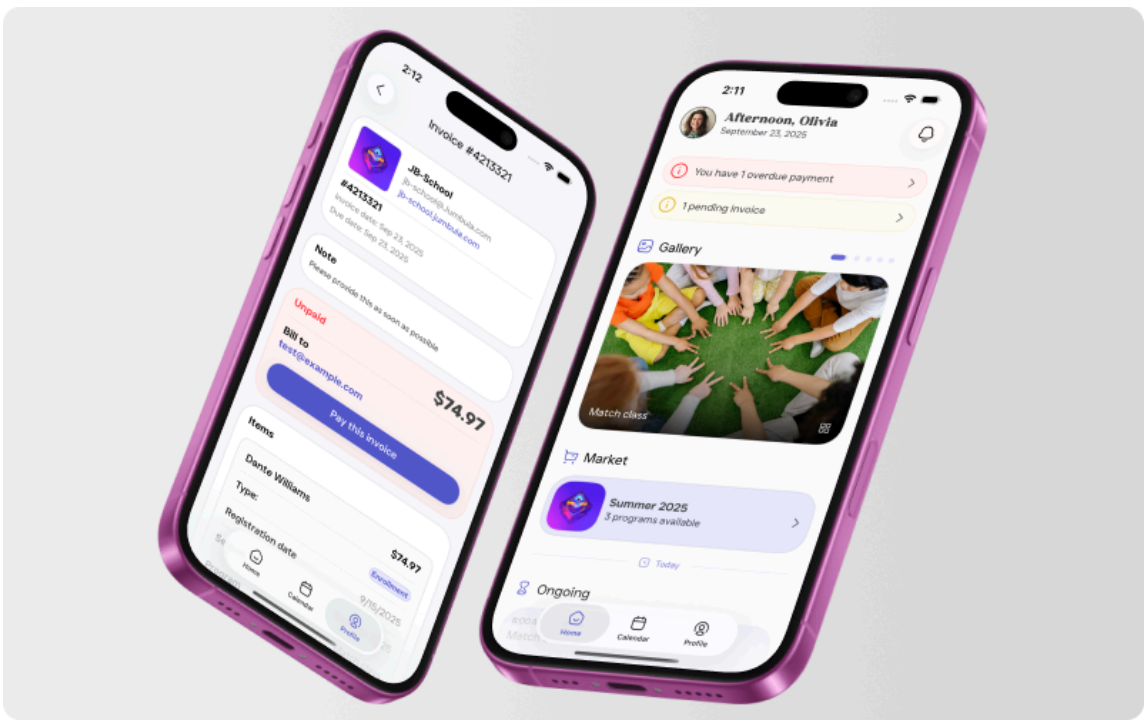


Families can check children in or out **directly in the app**, sign forms on their phone, and save their signature for future sessions.

Admin Controls

Admins can turn these two features on or off from the **admin panel**.

Pending Tasks and Enrollments at a Glance

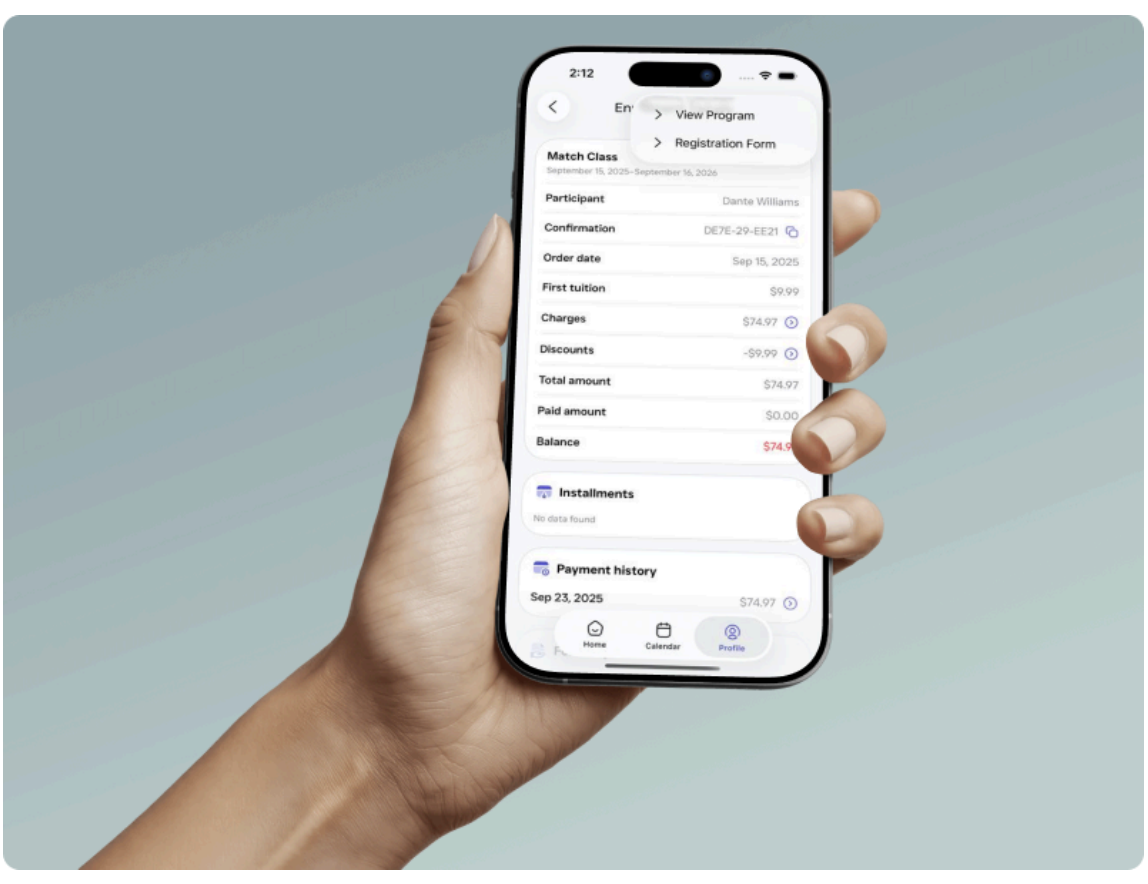


Pending payments and other tasks, such as invoices and installments, now appear at the top of the **home screen** as daily reminders, with a tap taking families to the website to complete them. Families can also view all their children's enrollments in one place through the new **enrollments option** in the profile screen, complete with a search feature.

Payment Management in the Profile Page

Families can now manage payments directly in the app. From the **profile screen**, they can update payment methods, view invoices, track installments, check family credits, and more.

□ Copy Confirmation IDs and View Filled Forms



Wherever a confirmation ID appears, families will now see a **copy button** for quick sharing with support or admins. Plus, completed registration forms are accessible anytime from the **profile screen**.

□ Refer and Earn with Us!

Know someone who could benefit from Jumbula?

If you know an organization that might find our platform helpful, we'd love for you to connect them with us.

What's in it for you?

For every business you refer that joins Jumbula, you'll receive your choice of a $150 Amazon gift card or $300 in Jumbula credit to apply toward your own programs. There's no limit—every successful referral means more rewards for you.

How it works:

- Tell another organization about Jumbula.
- If they decide to sign up, your referral is confirmed.
- You'll receive your reward for each successful referral.
